

*Stu Shacter - Board Chairman*

*Stu & his wife have been cabin owners on Mt Lemmon since 1999. They lost their cabin in the Aspen Fire & finished rebuilding at the end of 2005. Since they they are on the mountain most weekends enjoying all that the mountain has to offer. Stu is a retired electrical engineer and enjoys hiking, woodworking and music. He was first elected to the MLDWID board in November 2020 and is the current chairman of the board*

*Diana K. Osborne - Board Member*

*Diana's great grandfather Childs brought his family to Mount Lemmon in the late 1800's to pass cool summers. Diana now lives full-time in Summerhaven. A professional architect, she adds a deep love for the mountain to her architecture background to better preserve the mountain with a focus on history, fire, and water. Diana's primary focus on the Board is now water conservation. She plans to support and enable increased capacity through conservation and storage for future generations. Diana is honored to serve on the MLDWID board.*

*Rick Burrows - Board Member*

*Rick is a native Tucsonan. He is a graduate of Sahuaro High School and the University of Arizona. He is a registered Professional Engineer. He spent 20 years as a consultant to water utilities and over 20 years in engineering and operations at electric utilities. He is retired and enjoys golf and reading.*

*John Mulay - Board Member*

*Jon has been a water board member since the 1980's. He has seen great progress over the years. Jon's experienced several big changes from when it became a Water District from a Water Co-Op. He thanks the employees & board members for their hard work.*

*Pat Klein - Board Member*

*Pat Klein has loved the mountain since childhood. Pat & her husband Fred purchased their land as a 25th anniversary present. They completed construction in 2006 and enjoy being part of the community. Pat has served two terms on the Mt Lemmon Water Board, water is finite & should be treasured*

*Leanne Mack - Clerk of The Board & Webmaster*

*Leanne's family became apart of the Summerhaven community in 1997. The Mack's became part of the business community quickly afterwards. From Leanne running the US Mail up & down to her helping reopen the General Store in 2000 & again after the Aspen Fire in 2004. Her love for the mountain/community has kept her here & she's enjoying working with the water department.*
